Respectfully Submitted by,

Reg No. 67495-054

P.O. Box 8500, ADX Max

Signed: 

Dated: 7/29/2020

To The Honourable Judge Analisa Torres

Dear respected Madam Judge Torres,

1- I wrote to Your honour on Oct 22, 2019 and Jan 17, 2020 to replace two of my attorneys with another two (CJA) previously court appointed attorneys but then swiftly removed without my consent and such did harm my case to date.

2- However, my current attorneys phoned repeated their "apologies", Promised to improve, not to repeat mistakes and to be given three months to move in the case(s) efficiently. And to write to your honour about that and provide me a copy in order

that all parties fulfil their part. I still never received such copy. And many, if not all of the alleged promises materialized.

3- My Rule 33, in appeal, still stagnant for almost a year, without even a date to file or one single planned discussion or preparation for essential papers/material needed.

4- My 2241 Case has been submitted without any consultation, participation or even a copy for me to know what could be in need of correction/amendment. Only submitted for the ~~Defendant~~ <sup>Prosecution</sup>.

5- Moreover, Both attorneys sent me letters saying that my letters to them and theirs to me are not reaching. And that the Gov't told Mr. Benchouch <sup>ESQ.</sup>

my letters to him are held by ADX Legal Dept (Not SAMs operator) Mr Bachrach wrote saying he never received any letters since mid-March, meaning the fear of my letters with returned documents were lost! But son of the attorney know <sup>how</sup> / want to bring ADX to account

6- Because of the above, I urge the Court to allow me to contest with one of my previous CJA Court appointed attorney for:

(a) needed legal opinion regarding essential legal issues of my case, not provided to date by my attorneys despite repeated requests

(b) Explanation, if any, regarding my attorney sudden change of views / opinion (other than given to take the case), to evaluate timely.

7- There are more explanation, reasons and document to support this request.

However, to save the respected court precious time, and because of the limitation of the temporary short window request, the above foregoing, respectfully submitted, that is proportional.

8- Accordingly, and very respectfully the Dept. implore the respected judge to allow the requested legal opinion.

9- Details of the requested Attorney: (As in Docket)

Yours sincerely
